- ❖ **MIM Post-Graduate Program**

❖ **Masters in Intuition Medicine (MIM)**

611 Instruction Hours /40 Credits

The MIM certificate program requires completion of a minimum of 611 hours/40 credits. Our credit value is based on a college semester system. Upon satisfactory completion of all requirements a credit transcript and an MIM certificate will be awarded.

MIM Certificate Requirements (40 credits, minimum)

Core Competencies: The Academic Major. The Academy's certification program in Intuition Medicine represents the core competencies and essential elements that define this field of study and establish the underlying foundations upon which you may base your professional development.

Secondary Competencies: The Academic Minor. MIM students also complete coursework toward an academic minor of at least 6 credits. The prerequisite courses for entrance into the MIM program fulfill most of this requirement. The academic minor includes additional credits by mid-term and final exams and papers.
