

Midge Murphy....

Midge Murphy, J.D., Ph.D., has combined her unique experiences as an attorney and teacher to create this leading edge continuing education course for Mind/Body healers of all kinds. She is the first attorney to receive her Ph.D. in energy medicine from Holos University under the auspices of Norm Shealy, M.D., Ph.D., and Caroline Myss, Ph.D. Midge has garnered expertise in the legal, ethical, and regulatory issues in complementary and alternative medicine, integrative medicine, and energy medicine, and is a sought-after speaker at national conferences. She is on the faculty at the Academy of Intuition Medicine®.

Midge is a member of the law offices of Michael H. Cohen (www.michaelhcohen.com), specializing in health care law and business, committed to serving the needs of individuals, institutions, and professional organizations in integrative medicine and energy medicine.

Midge is a Therapeutic Touch practitioner, using it primarily in her work as a hospice volunteer. She has been a student of shamanism for over 10 years. She also teaches tennis, and is a member of the United States Professional Tennis Association.

Topics Covered

- ◆ The therapeutic relationship (the Sacred Contract between healer and client)
- ◆ The current national movement towards the regulation of mind/body therapies, and the integration of the profession into a new health care model identified as Integrative Medicine. Why this trend is integral to the discussion of ethics.
- ◆ The history and development of ethics codes from related fields
- ◆ Core psychological concepts in ethics
- ◆ Ethical principles and key terms
- ◆ Legal considerations, informed consent, scope of practice, standards of practice and liability issues
- ◆ Self-accountability, challenging the ego, projection versus intuition
- ◆ Practice management, office policies, and other business practices
- ◆ Relationship boundaries and communication with clients, friends, and family
- ◆ Keys to professional ethical behavior
- ◆ Working with clients' energy fields and in non-ordinary states of consciousness

Ethics & The Law for Mind/Body Practitioners

A continuing education class designed to assist psychotherapists, LCSW's, MFT's, massage therapists, counselors, and other mind/body practitioners in understanding the ethical, legal, and regulatory issues that affect their practices.

- ◆ Innovative, convenient, and comprehensive class for healers of all kinds dedicated to providing the highest level of ethical service to their clients
- ◆ Learn valuable risk management tools to minimize your exposure to legal and regulatory actions that create problems.
- ◆ Practical information about the ethical management of your practice
- ◆ Unique opportunity to learn about ethical concepts in all mind/body therapies and to understand what is considered unethical behavior
- ◆ Instructive ethical and legal scenarios to help you navigate the murky waters of dealing with clients, regulatory boards, and the legal system
- ◆ This course fills a crucial need for all healers. Ethical conduct is vital to the integrity, authenticity, and acceptance of mind/body healers and other complementary and alternative medicine practitioners in the health care industry.

What previous participants say about
this course:

"Midge was fabulous...her energy, integrity, professionalism, command of the material, plus personal experience in the healing arts made it a wonderful class." - Christina

"I found the material fascinating, informative, and presented in a way that had broad-reaching appeal" - Pat B

"Midge was wonderful! She managed to make what could have been a very dry subject fun, spiritual, and insightful." - Christopher M.
